He looked around at the other occupants of the room. There was the Surface Mission Commander, Mary Lang, the black woman he had seen inside the dome just before the blowout She was sitting on the edge of Lou Prager's cot, her head cradled in her hands. In a way, she was a more

shocking sight than Lou. No one who knew her would have thought she could be brought to this limp state of apathy. She had not moved for the last hour..From Competition 18:..grabbed her shoulders and held her off at arm's length to look at her.."Oh, yes," said Amos. "I know the sound. I do not like to think what he would do with a woman.Crawford and Lang hung around as the scientists looked things over. They were not anxious to get back to the task that had occupied them for the last two weeks: that of bringing the Podkayne to a horizontal position without wrecking her. The ship had been rigged with stabilizing cables soon after landing, and provision had been made in the plans to lay the ship on its side in the event of a really big windstorm. But the plans had envisioned a work force of twenty, working all day with a maze of pulleys and gears. It was slow work and could not be rushed. If the ship were to tumble and lose pressure, they didn't have a prayer..Here is yet another treat from the master of the contemporary chiller.
