Then he tossed the cat inside.. "My father could have been President but for Margot Randall. The woman was rapacious, vulgar, egocentric, and totally amoral. She nearly drove my father mad before he realized there was no helping her." When he nodded, she sealed her helmet and started into the lock. She turned and looked.⁷⁷ Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in *The Issue at Hand*. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. And so on..
